

# 2026 CORPORATE MEMBERSHIP & SPONSORSHIP OPTIONS

Membership in the Colorado ASC Association is invaluable for staying informed about critical legislative and regulatory developments affecting ambulatory surgery centers in the state. It provides a platform to connect with industry peers, share best practices, and collectively advocate for policies that benefit patient care and the ASC community. Additionally, corporate members are CASCA's go-to resident experts for webinar development and gain access to sponsorship opportunities for the Annual Conference and Trade Show. Corporate members are also encouraged to participate in our social events throughout the year.

## CORPORATE MEMBERSHIP PRICING: \$1,000.00

Companies must be a corporate member of CASCA to sponsor conference

## 2026 Annual Conference & Trade Show July 16 - 17, 2026 Denver Marriott West

## CORPORATE MEMBERSHIP BENEFITS

### CASCA's Facility Directory

Members maintain privileged access to CASCA's Membership Directory, providing them with contact details of fellow colleagues in the industry. Our CRM maintains data that is only available to CASCA members and not shared/sold outside of the association.

### CASCA Preferred Vendors List

CASCA maintains a healthy list of corporate member who are our primary recommended experts for you to connect with. Utilize our directory or connect with CASCA staff directly for connections and resources within our active corporate members.

### Industry Communications

Engage in and contribute to our member communications, including but not limited to our monthly *Pulse of Progress*, webinar content, event calendar, exclusive resources tailored for Colorado ASCs, news updates, and legislative updates.

### Committees & Leadership

A membership-driven organization thrives through the active participation of its members in committees and the board, where diverse perspectives shape its direction and initiatives. This collaborative approach ensures that decisions align with the collective needs and priorities of the community it serves.

### Help Develop Content

As a corporate member and expert in your field, discuss the opportunities to participate and/or plan a webinar for members. CASCA is currently developing the 2026 online webinar schedule.

### CASCA Logo Use & Staff Outreach

As a corporate member, please keep our phone numbers close. We pride ourselves being accessible to you as corporate members to help you make connections. Leverage our logo to communicate your membership status on your social media accounts and engage with CASCA staff, lobbying team, or legal experts to address healthcare and surgery center challenges.
